Gather at 49 W 68 St

The lovely American Maple at 49 W 68th St has informally been known as Tom's Tree. Why ? Because 15 years ago (2004) the tree pit was empty, in need of a tree, so Tom Myers generously donated a sapling he had been lovingly raising from pod on his W 68th St terrace for the prior several years. When planted it was merely 5 feet tall and 1" thick. Just look at what 15 years of W 68th St TLC can do! Thereafter, it will officially be known as Tom's Tree.
